INTEGRITY SHORT TERM GOVERNMENT FUND (MDSIX) RECEIVES 2026 LSEG LIPPER FUND AWARDS

[Minot, ND] – Integrity Viking Funds is proud to announce the Integrity Short Term Government Fund (Institutional Class: MDSIX) has received two 2026 LSEG Lipper Fund Awards. These awards recognize the Fund for achieving the highest Lipper Leader for Consistent Return (risk-adjusted) scores in the U.S. Short Government Funds category over the 3-year and 5-year periods ended December 31, 2025.

“We are honored to receive this recognition from LSEG Lipper, which reflects the disciplined investment approach of our sub-advisor, M.D. Sass, LLC,” said Shannon Radke, CEO of Integrity Viking. “M.D. Sass has specialized in Agency securities for more than 30 years, and their expertise has helped us deliver a differentiated strategy focused on short-duration, government-backed securities.”

Lipkee Lu, Director of Fixed Income at M.D. Sass, added, “This award highlights our commitment to delivering consistent, risk-adjusted results for our clients. We appreciate the trust of our investors and look forward to continuing to serve their needs.”

The LSEG Lipper Fund Awards, now in their fourth decade, are based on the Lipper Leader for Consistent Return rating — a risk-adjusted performance measure calculated over 36, 60, and 120 months. The fund with the highest score in each eligible classification receives the award. Winners are selected objectively with no nomination process.
